

# Summer Intensive Programs

July 4th - Sept. 1st | Programs for Kindergarten - Grade 12

## ESL & ESL TRANSITION

Grade 3+ | Monday - Friday 9AM-4PM

This intensive is ideal for those students who wish to transition out of ESL and will aid in ESL placement test success. Students will hone all aspects of English Language skills in this intensive program, including *grammar & vocabulary, reading, writing, and speaking*.

## ENGLISH LANGUAGE ARTS HEAD START

Grade 7+ | August 14 - September 1 | Monday - Friday 1PM-4PM

This 3-week intensive is designed for students who need to get prepared for BC English Language Arts expectations the year ahead. Students will advance their English Language skills to the next level to meet academic success in the upcoming school year.

## STEAM PROGRAM (FROM JULY 31ST)

Junior / Senior Group | Monday - Friday 1PM-4PM

This program is designed for students (with medium-high English proficiency level) who are looking for opportunities to develop their science, technology, engineering, arts, and math skills. Using technologies like LittleBits, coding and robotics, students will utilize Little Mountain's Design Cycle to create innovative products, and solutions. Students will expand their creative capacities, and their communication, collaboration, and design skills

## SPEECH, DEBATE AND WRITING

Junior / Senior Group | Monday - Friday 1PM-4PM

Students (with high English proficiency level) will learn formal and informal debate and speech structures. Students will learn the characteristic of a good stage voice. In this intensive, the students will gain fluency and confidence. A strong focus will be given to the writing formats used in school and academic writing. Students will improve writing content, organization, style and language

## PHONICS, STORY READING AND DRAMA

Kindergarten - Grade 2 | Monday - Friday 1PM-4PM

This intensive is designed for early achievers. Students will learn and/or practice major phonics rules and read a variety of story books associated with the phonics conventions. Young learners will showcase their skills through role plays, and puppet shows and will bring learned stories to life. Students will also make costumes and props for the plays.
