

2018 Summer Intensive Programs

Early Literacy - Phonics, Story Reading and Drama

K - Gr.3 | M-F 1:00PM-4:00PM

Students will learn and practice major phonics rules and read a variety of story books associated with phonics conventions. Young learners will showcase their skills through plays, and puppet shows and will bring learned stories to life. Students will also make costumes and props for the plays.

Intensive Academic Writing

Jr. / Sr. | Non-ESL | M-F 1:00PM-4:00PM

The Academic Writing program has been designed for students who wish to learn, and to polish their writing skills. This class explores academic writing formats including exposition, narration, description, and persuasion. Students will leave the program with a deeper appreciation of the craft of writing.

ESL English Camp

Grade 3+ | M-F 1:00PM-4:00PM

In our ESL English Camp, we will be using our in-house smart English curriculum to help students sharpen their English skills in an English immersion environment

The objective of this intensive English Camp is to help students transition out of ESL and to aid in ESL placement test success.

ESL English Camp Exclusive Add-On Grammar & Vocabulary Booster \$200/week (Originally \$320/week)

Grade 3+ | M-F 10:00 AM-12:00PM

This Grammar and Vocabulary Booster is a great supplement to help students solidify grammar rules and build vocabulary before developing the English Language Arts skills necessary to achieve academic success within their primary and secondary schools.

English Language Arts Head Start Program

Grade 7+ | Aug. 13 - Aug. 31 | M-F 1PM-4PM

English Language Arts Head Start is designed for transition or regular stream students to become familiar with, and to practice the BC English Language Arts learning standards. In this course, the students will explore the modes of discourse, as well as common English Language Arts competencies.
